Tribuo Impetro - Give To Get

— ACHIEVEMENTS —

LIST OF ACHIEVEMENTS

- ✦ Raven is presently a Consultant for entities of the Singapore Government (e.g. mainstream schools, Statutory Boards, etc.) in matters pertaining to training professionals in dealing with 'at-risk' issues
- ✦ Raven is the **FIRST** clinical agency in Singapore to specialise in providing consultation on the *Responsible Thinking Process* (RTP) framework. Raven is also the **FIRST** clinical agency in Singapore to run a service centre in a mainstream school that utilised the principles of the RTP
- ✦ Raven is the **FIRST & ONLY** clinical agency in Singapore to conduct Workforce Development Agency (WDA) and university accredited training programmes on *Advanced Counselling Skills*, and *Understanding Criminality in Singapore Youth*
- ✦ Raven is the **FIRST** clinical agency in Singapore to provide full Clinical & Administrative Supervision to a Voluntary Welfare Organisation ("VWO") regarding youth work and the *Enhanced STEP-UP programme*
- ✦ Raven has experience in planning, conducting and evaluating academic assessments and coursework modules (at a Certificate, Diploma, Degree, Honours Degree and Masters level). Accordingly, Raven has provided Academic Consultation to prestigious Private & Public Sector educational institutions regarding the subjects of Social Work, Counselling, Sociology, Criminology, Eldercare & Psychology. In line with this, Raven is the **FIRST** clinical agency in Singapore to modify the course structure of an accredited undergraduate Psychology programme of an Australian University in Singapore, by conducting an experiential Field Research component for the course
- ✦ Raven is the **ONLY** clinical agency in Singapore that pursues clinical research in forensic interventions for adolescents and has an intervention programme that has been developed, and run, specifically for Singapore youth. Additionally, Raven also pursues clinical research for Social Service issues

- ✦ Raven is the **ONLY** clinical agency in Singapore that provides Teachers, Therapists, Social Workers, Youth Workers, Counsellors and Law Enforcement Officers with a contextualised, research-based model for youth work in Singapore. Accordingly, Raven is also the **ONLY** agency in Singapore that conducts the well-received courses of *Youth Work: An Introduction to an Evidence-Based Approach*, as well as *Youth Work: Apply Effective Intervention Programmes*
- ✦ Raven is the **ONLY** clinical agency in Singapore to specialise in holistic biopsychosocial interventions for 'at-risk' youth and non-pharmaceutical treatments for psycho-social issues
- ✦ Raven is the **ONLY** clinical agency in Singapore to supply Part-Time Counsellors to mainstream schools and provide Psychological Consultation to staff of 'high-risk' schools
- ✦ Raven has developed a Postgraduate Diploma in Applied Psychology that has been recognised for entry into a *British Psychological Society Accredited* Masters programme
- ✦ Raven has served as the Academic Council for a local tertiary institution specialising in Counselling, Psychology & Criminology
- ✦ Raven regularly conducts training for the course *Building Emotional Resilience in Caregiving*; a workshop designed to assist professionals working with caregivers
- ✦ Raven is one of the few clinical agencies in Singapore to specialise in *Safety Psychology* for 'High-Risk' and Security Industries
- ✦ Raven was utilised to supervise Fieldwork Placement for those training to become Social Workers
- ✦ Raven has more than 16 years of experience in researching and developing intervention programmes for the Education & Social Service Sectors. Such programmes have been run for schools, the Singapore Police Force, the Singapore Prison Service, VWOs, and a myriad of other community partners

- ✍ Raven has experience in conducting clinical supervision for established universities, VWOs and schools
- ✍ Raven has experience from the Social Service & Education Sectors (including serving as Consultants for a number of schools and Social Service Organisations)
- ✍ Raven has vast experience in planning, conducting and evaluating Therapeutic & Social Service programmes (including mandated programmes for law enforcement agencies)
- ✍ Raven is one of the few clinical agencies in Singapore to have its intervention programme featured in the *Ministry of Education's East Zone Publication of 2010*
- ✍ Raven is one of the few clinical agencies in Singapore that has provided consultation to law firms regarding criminality amongst 'at-risk' youth and Social Service issues in the country
- ✍ Raven's professional staff have acted as Advisors and Consultants to the media regarding issues pertaining to Counselling, Social Work and Psychology
